(b) if so, the details thereof; and

(c) if not, the reasons therefor:

THE MINISTER OF STATE OF THE MINISTRY OF HEALTH AND FAMIY WELFARE (SHRI SALEEM IQBAL SHERVANI): (a) and (b) Yes, Sir. Govemment Organisations like Council of Scnientific & Industrial Research, Indian Council of Agricultural Research, Botanical Survey of India etc. are engaged in research/studies on development measures for growth of plants and herbs of medicinal value.

Besides it, there are schemes implemented by various Government Departments for Conservation, Development and Cultivation of plants and herbs of medicinal value (medicinal plants) as under:—

(i) Central Scheme for Cultivation and Development of Medicinal Plants by Department of ISM & Homoeopathy, Ministry of Heath & Family Welfare.

(ii) Centrally-sponsored Scheme for Conservation and Development of Non-Timber Forest Produce, including Medicinal Plants—by National Afforestation and Eco-Development Board, Ministry of Environment & Forest.

(iii) Central Sector Scheme for Development of Medicinal and Aromatic Plants-by Department of Agriculture & Cooperation, Ministry of Agriculture.

(c) The schemes presently under implementation are of modest size compared to the size of the problem. For adequate availability of medicinal plants a much large programe of plantation will be called for and this would require substantial financial resources which are not currently available to the Department. The requirement of funds for this purpose has already been projected to the Planning Commission for IXth Plan.
